

Board Meeting 7/7/25

Present: Brian Loftus, David Christy, Denise Aschenbach

The meeting was called to discuss ways to make up the shortage caused by the high increase in our HOA insurance.

We also reached out to Jake Johnson of Timberline regarding shrub trimming. It was felt that there are some shrubs that could be trimmed and he will take a look and shape shrubs that need it. Nothing that is blooming now will be touched.

The meeting was adjourned.

Respectively submitted, Denise Aschenbach

Brian Loftus, President
