

Lehman Lane Common Questions

Overhead Entry Light Above Front Steps

The bulb is 85w BR4 1100 Lumens, Daylight or "soft white". Menards has these. If you need help removing and installing, several Lehman neighbors have long, extendable aluminum rods which usually unscrew and re-screw the bulbs. This usually eliminate ladder work.

Outside Paint specifications:

Body is Sherwin Williams Duration Flat "VIGILANT" #0563

Trim is Sherwin Williams Duration Satin "BIG SPENDER" #0212

Deck rails—"Big Sponder" matches.

Andersen Windows and Doors:

The window crank can wear out. It is not hard to replace yourself. Also, the door locking mechanism on the patio and deck can wear out. This also is not hard to replace.
